Hit send too soon. Superfund is working out the funding of the response but plan to cover me from their side so you technically shouldn't have to fill any additional paperwork out for comptime or overtime. John has asked that I come in at 8am but will call me back if things change. They are trying to setup rotations to cover extended hours that might be required.

Okay. Will you be covered in CT/OT for your hours worked?

Kim,

John Martin has requested that I work in the REOC this weekend to shadow Matt Loesel Situation Unit.
